RULES:

1. The purpose of this flower show is for the enjoyment and education of all who view the show as well as the exhibitors.
2. This division is open to amateurs only. A professional is defined as one who earns his/her livelihood from their skills.
3. All arrangement classes will be listed as to requirement for fresh flowers, dried flowers, or silk flowers. There will be seven classes that will specify list numbers for silk or dried flowers. **Fresh Flowers should not be purchased from any source.**

4. Proper flag etiquette should be followed if the American Flag is used in an exhibit.
5. Exhibitors may enter ONE item per list number.
6. Specimens are to be exhibited in clear glass bottles or jars provided by exhibitors in Class 1. (No vases). This will be strictly enforced. A jar or bottle is a container that originally had a screw on lid or cap. This keeps all exhibits on the same judging plane for the judge. Specimens are judged on flower, leaves (when applicable) and stems.
 - A. NO LEAVES should be in the water.
 - B. Wedging is encouraged to help specimen stand straight.
 1. To wedge- Use a piece of Styrofoam or packing peanut.
 2. No foil, handi-wrap, or crisscross tape.
 3. Could possibly use a tiny piece of wood.

Wedging should be very unnoticeable. Fillers must not be used in bottom of container. A good idea is to have the stem of specimen touch the bottom of container, no matter its size. Consider the neck of container for specimen. Daylilies should touch bottom of container.

7. The name(s) of the variety MUST be written on the back of entry tag in classes 1, 2 & 3 to be eligible to be judged for a blue ribbon. This is to be done by the exhibitor on the tag, NOT on the entry form. Be sure the judge can read this.
8. Added foliage materials are permitted in all design classes (Classes 4,5,6,7,8,9 & 11).
9. Classes 10, 11, 12, 13, & 14 - Junior Show, are open to exhibitors 18 years of age and under. In the Jr. Show, **fresh flowers should not be purchased from any source.**
10. Preliminary work on tables, niches, and mantels may be done 5-8 PM, Wed, July 15.
11. Flowers in all arrangement classes may be replaced for freshness by the exhibitor Superintendents may remove or exclude any exhibit or part thereof, which is unsightly.
12. If more than 8 per class, the class will be divided, as it was entered into the book.
13. NO NOXIOUS WEEDS MAY BE USED IN ANY ENTRY IN THIS DIVISION.
