Rules:

1. Any entries not meeting the specifications listed below WILL NOT BE HUNG OR JUDGED.
2. Photos (classes 10,11,12,13) are NOT to be framed, but must be matted or dry-mounted. They need not be equipped to hang. Maximum mat or mount size is 11x14.
3. Photographs must be composed and photographed by the exhibitor. Any editing should be done by the exhibitor. AI photos will not be accepted. Photos may be professionally developed if so desired.
4. Single photos only.
5. Entry tags should be attached to the upper right corner of the back side.
6. No photo is allowed on exhibition that has previously won a premium in this division.
7. Exhibitors are allowed one entry in each list number in Classes 10, 11, 13. Exhibitors in Class 12 (Juniors) are allowed two entries in each list number. Class 13 is open to juniors, but only one entry is allowed.
8. Professional photographers are not eligible to enter this division. Professionals are defined as persons earning their livelihood from their photography.
9. If there are 10 or more entries in any list category, that category will be divided.
